

Rock News

Dear Members and Friends of the Rottnest Island Golf Club.

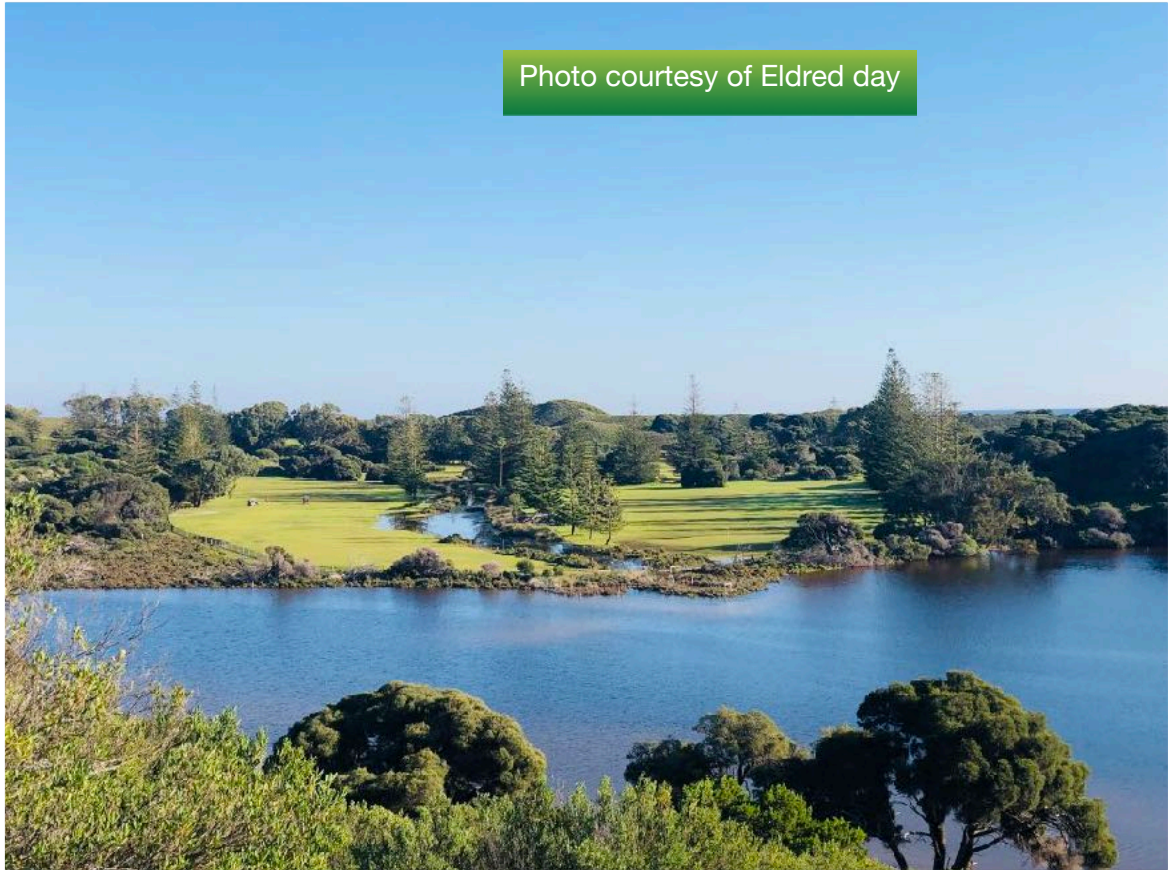

The mighty Rottnest Cup and Ledger Trophy is in its 62nd year and still going strong. The member turnout for the Cup and Ledger must be congratulated. 75 players and several non playing partners made an effort to secure accommodation now that the old routine is no more. It's hard to believe it was only 12 months ago we were celebrating the Cups milestone in great style at the Gov's Bar. Take a trip down memory lane and hit this link to the photos Album. (Place mouse pointer at underlined text and click) [60th Celebrations 2022](#)

A small busy bee was conducted on the Thursday leading into the weekend with divot filling and hazard marking lines applied. Much to the amazement of the group was the amount of water on the course. Some flags were unplayable as just by walking on the green caused casual water to engulf your shoes. As you can see in the photos the water level was way more than what we have been accustomed to. Even negotiating the path from hole 1 to 2 was a challenge in itself. Fortunately the weather took a turn for the better and some of the flood level dropped as the weekend wore on.

Day 1 kicked off with the Presidents Cup on Friday 19 August 2022. The early arrivals had a head start and got underway prior to the majority of members making their way up to the club house by 11am. The club was welcomed by new manager Tim Richards of Social Grounds (who are the new Operator of the Golf Course and ClubHouse).

A familiar face was there in our beloved Leisa Clark who was again looking after the members with her unwavering smile and happy demeanour. Three cheers goes to the **Hotel Rottnest** for the wonderful first night on Island for the members enjoying the meal and ambiance at the Hotel. The management met our tight budget conditions for food on the night and thanks to **Warwick Prendiville and Staff** for looking after the golf club.

A total of 63 players signed the Record book to play in the Prez's Trophy.

Saturday 20th August saw a shotgun start with half of the 75 entrants starting at 0830am and the rest at 1.00pm. Fortunately the sun was shining and enabled a good stretch of daylight hours to complete the Famous Cup and Ledger Plate. Some slow play was identified and it is up to the members to play “ready golf” where ever possible.

The Rottneest Island Authority Chairman, **Hamish Beck** was special guest at Sunday’s presentations where he welcome the attendees and spoke of the positive approach the RIA is taking with the golf course and its future. Acknowledging the capital works going on around the island with improvements to the Jetty to increase capacity and upgrading the water treatment on the Island. Noted several new developments with the Place Consortium doing the work on the old Lodge site and further plans for accommodation for the Samphire Hotel staff and management out along Parker Point Rd.

The match committee do a fantastic job in organising such a large field, also trying to allocate carts to firstly medical needs and then member wishes. It could be said that “walking” will keep you at your own pace and limit any frustration if your wheels are late!!

If any member has an issue with cart allocation they are asked to direct any questions to the Management Committee. There is only 10 carts available and more players wanting them causing some chaos for the afternoon players. The large field also prevented the match committee from settling on the winners for the Cup and Ledger until more time allow on Sunday, to double check all cards. The committee apologises for misleading members in the Event programme stating Presentations would be held on Saturday night. When the results were announced on Sunday it made for an easier presentation where all present could quite easily hear the presenters. As the return ferry travel had all leaving by 1530 or 1630 it made sence

The Club would like to take this space to thank **Stephen and Irene Walsh** of Rottneest Dome for the fantastic hospitality provided at their venue Saturday night. The meal and dessert was delicious and compliments go to your kitchen team for service to the many hungry members on the night. We look forward to another visit in October for your “Dome Trophy Event”.

Novelty recipients

Sunday came around really quickly to complete our Major weekend with the Traditional “Elgar O’Mahony Memorial Ambrose fours” The O’Mahony - Allen families were there in full force with many more of the kids playing in the event. Great to see, so come join us more often. 61 players signed the record book and the game was on after a shot gun start at 0830am and 1030 am. New groups were formed, new friendships bonded and some competitive scores where entered at completion.

Thanks go to Mary-Louse Allen and David O’Mahony for letting “Elgar ring the Bell” for all present to have a DRINK ON HIM. All members extend best wish to your families by continuing to support “Elgar’s Legacy” long into the future.

Jane Wishaw Photography has once again capture the essence of enjoying golf on Rottne gathering many smiling faces to add to the club's extensive photo collection. It assist my job to tell a story around all the action
See all on the Website FlickR page
Thanks Jane XXXX

Glen Evans of “Simmo’s Ice-Cream” and “The Lane” catered for Saturday crossover lunch and Sunday’s presentations. It was a pleasure meeting you Glen and thanks on behalf of the club Members for your hospitality which we hope to continue for the next event.

Simmo’s very kindly donated ice-cream tubs as a treat to finish the day. I can confirm our Captain ML of “Lockey’s Lake” fame likes Simmos Ice- Cream and Guinness when you sink a ball in his Lake.

The RIGC wishes to thank all sponsors who help make the Events memorable year after year.

Email Advice - Long Term Member Resigned from the RIGC

Sadly I received an email from Jan McNab advising the Club of her resignation. Re-printed below with permission from Jan. On behalf of all Members we wish you the very best for long and healthy life.

The Rottnest Island Golf Club

Dear Phil,

It is with deep regret that, after 55 years, I am resigning from the Rottnest Golf Club.

I have very fond memories of the Club, going back to June 1967, when Cam and I arrived on the Island to begin our 10 year lease of the General Store. Our first task was to learn, over a two week period, how to run the Store, as we had no previous experience in this type of business. We appreciated this invaluable guidance very much. It was made possible by the Salts, who were the lessees of the store at the time.

Guided by Des Sullivan, our first activity outside the business was to join the Golf Club, which at that point in time was the heart beat of the community and this continued for forty years. The Club united the residents living on the island and also welcomed the many visitors from the mainland.

Now we have people like John Birkett, Merv Lockhart, John Peddie, Phil Bray and Jeff King, along with other staunch supporters, who have continued the hard work, making the Club what it is today.

Thanks to you all for supporting the "oldies" and encouraging all the new younger members.

Although I play social golf from time to time, it is usually over 9 holes. Also, the amazing association that we had with the Rottnest Lodge, allowed a simple solution to all accommodation needs and they even attended to the ferry bookings. Unfortunately, that wonderful service is now in the past and I thank Glen and Ben for their continued assistance. Pat and I were assigned the same rooms every year!

Best wishes to all attending the Rottnest Cup and Ledger Trophy, 2022. I will miss you all. Good golfing!

Yours sincerely,

Jan McNab

Other House keeping.

It was brought to the Committee's attention that Street drinking occurred by some members over the Cup weekend. The Police became involved and this reflects badly on the RIGC. Everybody should be reminded that street drinking is a punishable offence and if you can't abide by the rules then the Club would prefer you didn't attend.

Well that wraps the news for the Cup and Ledger event for 2022 on the Rock. Look forward to seeing the next lot of players for the Season Closing event "The Captains Cup" in October 14th to 16th 2022

To view all weekend Photos click Link [Cup And Ledger 2022](#)

Stay safe and best wished from Club President on behalf of Management and Match Committees.
