The Rottnest Cup and Ledger Plate weekend

Hello members and friends

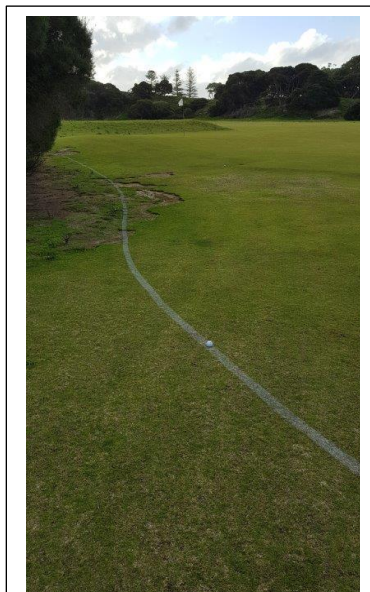

Rottnest Island Golf Club

The Clubs major event for the year was well subscribed by members for the August winter weekend away on the **ROCK**. It has been some time since the entry list was closed due to a full field. It shows Golf on Rottnest is alive and well. Numbers have been up for all events so far this year, which makes the committee happy that members are involved with the club and most importantly playing golf.

The course condition has been devastated in a lot of areas from Quokka damage more noticeable than previous games with the Vice-Captain, Scott Jones doing his level best to maintain a playing standard with limited resources. We can only hope as a club that common sense prevails from the decision-making that is before the RIA and that they respect the history of the Rottnest Island Golf Club

Your committee decided to purchase a line marker for the Club. It saves a lot of guess work when deciding if you are on fairway or not. Thanks, Scott Jones, for marking the course in time for the Cup. Special thanks to Pelagic's Michael Sier for shipping.

ROCK NEWS THE ROTTNEST CUP AND LEDGER PLATE WEEKEND

Friday's Presidents Cup was battered by server weather and was the hardest day to stay dry. 20cm of rain fell in half an hour at the end of the day with several groups out trying to complete their round including the Pres in the second last group. The weather also interfered with planning of the evening format. It was decided to have the evening meal at Karma Resort, which meant the President's Cup presentations were held over to the Cup and Ledger Plate results at the clubhouse.

Once again, the Rottneest Golf Club makes everyone a winner with a fabulous "show bag" given to every player. This year it was a Logo duffel bag with logo golf towel and writing pen. This was put together by KC Sports Australia and thanks to Jeff and Sam for the generous discount off the purchase price. The committee and members appreciate your ongoing sponsorship to the club.

Saturday's major event was under way by 0715 over a shotgun start with 48 spread out over the whole course. There were times when you felt like you were the only one out on the course. This method of player distribution has proven its worth when there is a maximum entry list. 49 players had the afternoon tee time at 1215. Both sessions experienced rain and a shift in wind coming from the south. Ultimately it was a good test of golf skills to bring the winner home at 1 under Par. A hard day at the office!

Sunday brought a change for the better with a beautiful winters day on the **Rock** there to welcome the O'Mahony family's memorial day for Elgar. 76 participants signed the record book, which made the Ambrose day one of the largest fields over the past few years. Once again the field was split to early and late tee times with the planned finish and presentations completed in time for the 1430 ferry travellers.
