About the Rottnest Island Golf Club

Our club has evolved from the days when the people that worked on the island resided on the island. A comprehensive history of the club is contained in the book, "Rottnest Island Golf Club & Country Club 50 Years", that was published for the club's 50th anniversary in 2010, and is available on the club website at www.rottnestgolf.org – prospective members are urged to purchase a copy.

By agreement with the Rottnest Island Authority, the Rottnest Island Golf Club holds events over the Friday, Saturday and Sunday of four weekends per year.

Membership of the club gives preference to play in these events, which include the RIA Chairman's Cup, Rottnest Classic, Rottnest Cup & Ledger Plate, President's Trophy and Elgar O'Mahony Memorial event.

Membership of the golf club does not imply special privileges at Rottnest Island Country Club at any other times of the year.

Membership of the club is at a premium and completion of this application does not guarantee membership to the club; all applications will be scrutinised by the committee at regular meetings throughout the year, with the outcomes of all applications advised by email once decided.

The club holds memberships with GolfWA and Golf Australia, and its members are holders of GolfLink cards.

All club events require players to hold an official GolfLink handicap unless agreed otherwise.
