Rottnest Golf Club | Captain's Cup | Results for 2026

In this RockNews are all the results from the Closing Island Event for the season, photos of stage 2 course upgrade and important AGM information.

The works being done by the Rottnest Island Authority on the golf course is at Stage 2 and members and guests played the course in the new configuration with the first hole starting from the old 4th Tee at the western side of clubhouse. There's nothing like teeing off first on the hardest rated hole.

This change was done to align with the adjusted layout of the holes as the service line thru the Northern side of course has impacted the old 6,7,8,9th holes. These works should be completed by end of November so when we play our first event next year the course should be ready to play with the completion of Stage 3 and the re-aligned greens past their 6 month seeding in period with playable grass growth on the new greens and fairways by then.

AGN News

The annual AGM is scheduled for 6th December with a 9 hole game at Seaview Golf Course prior to the start of Meeting around 3PM. All information will be sent shortly and your attendance would be appreciated. The Committee is in a change of the guard with a new *Secretary* sought to help with the club administration.

President's Cup Friday Results

28 players signed the record book with several of the weekend entrants not able to play Friday or had to pull out through other reasons. So numbers slightly down for the Friday game. Still we established a Winner and congratulations to Marie Ashton who has been a great supporter to the golf club by being a co-sponsor and introducing lots of potential new members to the club by inviting new people for all the events run by the club.

Runner up was new member Graeme Christie and 3rd a Cottesloe GC visitor in Laraine Penbethey

Saturday saw 33 players in the Captain's Cup. The playing conditions were good with occasional showers and partly sunny skies.

The format was the traditional Stroke for this annual event and some good scores were to be achieved on the day. Top of the heap was our regular Norseman Identity in Mark (Pinky) Pink on a healthy 69 gross sprinkled with 4 pars and 2 birdies. Runner up was Greg Ashton on 2 under with a fine gross score under his age. 3rd place was Lynn Lee on 1 under OCB from Beth Deeley. Well done to all that participated.

Sunday completed the weekend playing in the Phil Strutt Memorial Game. This year it was an American Foursomes comp. Play by each pair having a drive then each swap balls and hit a second to then go alternate shot to hole on the decided best ball after 2nd shot. The players adapted well and the scores were signed off on in record time to have a few hrs of camaraderie over lunch and presentations.

Lunch was a DIY burger with able chefs Aaron, Merv and Greg incharge of the BBQ. Well done boys.

The worthy winners were
Paul Pink and Len Strother
2nd Marie and Greg Ashton
3rd Heather and Jeff King
